Setterwalls

ABOUT THE FIRM

Setterwalls is a leading full-service business law firm in Sweden, servicing clients from its three offices in Stockholm, Gothenburg and Malmo. Setterwalls has long-standing relationships with leading companies and financial institutions across the world representing a diverse range of complex legal and business matters.

By combining legal expertise with extensive knowledge of numerous sectors, Setterwalls attracts clients within a wide range of sectors, from biotech entrepreneurs, clean tech and media companies to private equity firms, game developers and real estate funds — including many of Sweden's, and the world's, leading companies, banks and other financial institutions and government agencies.

Setterwalls' philosophy is to achieve a commercial understanding of our client's objectives and provide fast and efficient solutions. Setterwalls continues to be recognised as one of Sweden's most innovative law firms. Our growth and position among the top law firms in Sweden comes from our proven ability to find the best solutions in the areas where our clients' business meets the law. Setterwalls offers clients a complete range of services, working hard to put together cross-practice teams carefully tailored to achieve their business goals.
