Troutman Pepper Locke

ABOUT THE FIRM

Troutman Pepper Locke helps clients solve complex legal challenges and achieve their business goals in an ever-changing global economy. We serve clients ranging from multinational companies to new market entrants across all major industry sectors, and offer differentiated experience across sectors.We put clients first. This service ethic manifests itself in everything we do, including through Troutman Plus, our market-leading client value program. Through Troutman Plus, we collaborate with clients to understand their unique needs and deliver customized solutions that add real value to their business.

A true service culture thrives on an inclusive environment of mutual support and collaboration — values we emphasize at every level of our firm. Delivering the best service to you depends on a work environment that embraces respect, inclusiveness, and teamwork, empowering every individual to contribute. The best ideas emerge when everyone has a seat at the table.

Corporate responsibility is central to our mission as we reach out to the communities we serve in meaningful partnerships and pro bono work. Individuals and groups firmwide contribute time and talent to the civic, cultural, charitable, educational, and professional organizations that matter to them.
