# WLG Webinar: Return to Work & Resuming Operations Asia-Pacific Region – 16<sup>th</sup> June 2020

## MEASURES ADOPTED AT THE WORKPLACE

Returning to work	Resuming Operations
<ul style="list-style-type: none"><li>• Are there mandatory measures, best practices or guidelines to have in place before businesses resume operations or is each Company left to operate within its own determined parameters?</li><li>• Are there mandatory obligations imposed on employers to provide face masks or gloves for each employee ?</li></ul>	<ul style="list-style-type: none"><li>• For those where operations have already resumed what have been the practical difficulties faced and how have employers and employees dealt with these matters ?</li><li>• Are employers looking at retrenchments or alternatives in your jurisdiction?</li><li>• Is the concept of a furlough or temporary lay off applicable in your jurisdiction ?</li></ul>

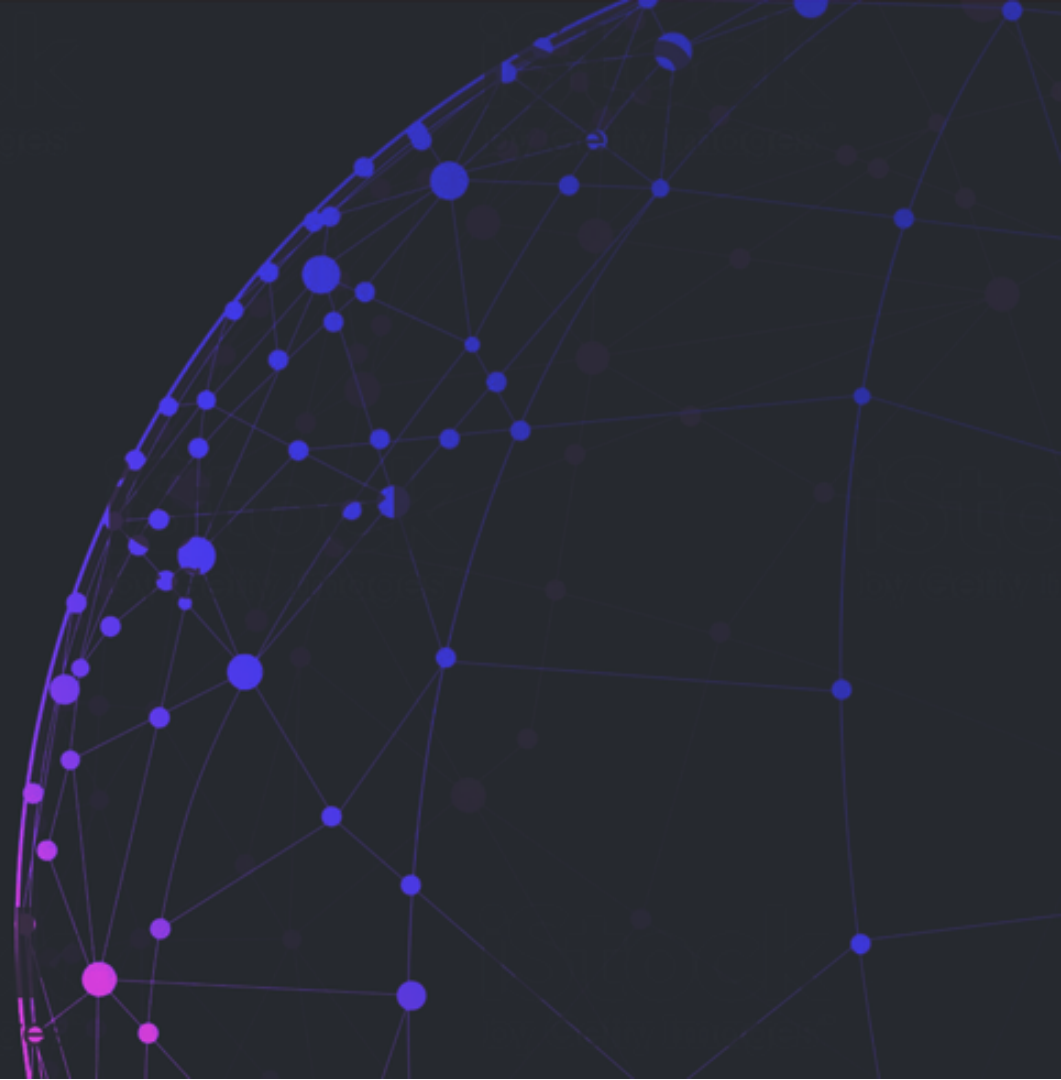

## MANAGING EMPLOYEES

- During the lockdown and post lockdown how have employees been coping with the changes ?
- What are the recommendations / practical measures to adopt for employers ?

Thank You!
